

TRIVIA NIGHT

At the Museum

Hosted by VCLA Cohort Season 30

JOIN US FOR AN EVENING OF TRIVIA, NETWORKING AND SUPPORT FOR THOSE IMPACTED BY THE MOUNTAIN FIRE

Cohort 30 of the Ventura County Leadership Academy invites you to join us at the Museum of Ventura County's Agriculture Museum in Santa Paula, on Friday, April 25, 2025 from 6:00 p.m. to 10:00 p.m., for **TRIVIA NIGHT AT THE MUSEUM!**

Think *"A Night at the Museum"* meets museum art installation meets Ventura County trivia. The evening will be filled with conversation, laughter, cocktails, small plates, and plenty of insightful facts about our beloved County and the many diverse communities within.

BENEFITING MOUNTAIN FIRE DISASTER RELIEF

From our earliest discussions, VCLA Cohort "Season 30" wanted to learn about and do something to address our region's housing scarcity and homelessness through a community awareness fundraiser. While we learned much about all that is being done to address housing affordability in our county, we felt pulled towards the most immediate need—supporting those impacted by the Mountain Fire through the **Ventura County Wildfire Relief & Recovery fund administered by the Ventura County Community Foundation.**

Many of us know those who have lost their homes and businesses in this fire which makes them homeless and exacerbates an already monumental housing problem in our community.

The Mountain Fire feels a bit unfair to the families and individuals impacted. While all the California fires have been devastating, the Mountain Fire did not reach the level of a Federal Disaster. This means affected households that may have lost just as much or more personally or as a family, aren't eligible for the same aid and are unlikely to qualify for FEMA and other financial assistance to help bridge the gap between

insurance, lack of insurance and their actual losses.

Funds raised for Mountain Fire Disaster Relief are going towards temporary housing, medical equipment replacement, emergency childcare, as well as financial assistance for displaced families and farmworkers left without work. Funds are also supporting evacuation costs for more than 450 animals and veterinary bills for injured pets of families who lost their homes in the Mountain Fire.

With your help, we hope to raise awareness and much needed funds for those impacted by the Mountain Fire so together we can support our neighbors here in Ventura County.

WE'RE ASKING FOR YOUR SPONSORSHIP.

Being a sponsor for **TRIVIA NIGHT AT THE MUSEUM** is tax deductible and will help a Ventura County family or business rise above the devastation the Mountain Fire caused.

While being a high-level sponsor allows you to bring your friendly yet competitive trivia team to join in the fun, it can be just as much fun watching others wow us with their knowledge about Ventura County and more.

Compete or don't, but please support VCLA Cohort Season 30's Ventura County Mountain Fire Disaster Relief & Recovery fundraiser.

Sponsorship opportunities are outlined on the next page, or you can visit www.vcleadership.org.

Let's enjoy an evening together in support of our neighbors. Thank you!

Warmly,

VCLA's Cohort "Season 30"
